

BATTLE-HARDENED UN TROOPS RANGE ALONG 38TH PARALLEL IN MASSIVE STRENGTH PREPARED FOR BIG SWEEP

Ready to Enter Communist-Held Areas in North if Such Command is Issued by MacArthur — Poised for Order from Flushing Meadows.

By International News Service

TOKYO, Sept. 30.—(INS)—Battle-hardened troops of the United Nations ranged in massive strength along Korea's 38th Parallel today, prepared to sweep into Communist-held areas in the north if such an order is given by Gen. Douglas MacArthur.

Victorious United Nations armies that surged northward after the complete cleanup of Seoul and erasure of Korean Communist forces throughout the southern areas of the peninsula, were poised for whatever orders might come from Flushing Meadows, Col. Lee Sun Keun, chief of the information department of the South Korean republic army, announced that his troops are ready to march on the North Korean capital of Pyongyang the moment that orders to this effect are received. South Korean troops, Col. Lee said, are "ready and eager" to push across the 38th boundary and engage in combat an estimated 100,000 Communist troops whose elimination is regarded as essential to restoration of peace in this corner of East Asia.

International News Service War Correspondent Irving Levine, headquartered with the U. S. Eighth Army and South Korean Republic divisions in the now Allied-controlled areas rolling from Taegu to the northwest, told of the battle plans. He said that all orders have been written and the Republic army briefed from top to bottom for a race into North Korea and occupation of Pyongyang if orders to do so are given. Col. Lee (the information officer responsible for release of South Korean army development) said that most of the men deployed by the Communists for defense of the areas above the 38th Parallel are raw recruits, lacking in heavy weapons for any prolonged or effective defense.

The fate of hundreds of American soldiers held by North Korean Communists as prisoners of war posed a major problem today in the aftermath of victory against Red aggression. There is no known checkup thus far of the actual number of American troops held by the North Korean Reds. There is evidence (photographic and otherwise) that some U. S. troops seized by the Reds were subjected to atrocities and massacre. The International Red Cross has reported from North Korea to the United Nations high command in Tokyo the names of only 39 American prisoners, although the total that the Communist command has announced far exceeds this number.

Open \$75,000 Drive For Grand View Nurses School

SELLERSVILLE, Sept. 29.—A goal of \$75,000 for the nurses' home at the Grand View Hospital here has been set in the annual fund drive which got underway this week.

Nearly 200 fund workers and hospital officials were present as the drive was launched at a dinner meeting held in the Sellersville fire hall.

William M. Moyer, president of the hospital board of directors, told the group of the work the hospital is doing, and of the nursing school, which since its inception in 1923 has turned out more than 200 graduate nurses.

Moyer said the present nurses' home was inadequate, and declared that the new fire-proof structure now under construction would be a vast improvement.

The Rev. Clarence R. Rahn, preacher-humorist-philosopher, of Temple, Pa., addressed the group and said that Communism or no other "ism can conquer our institutions if we keep our country in a good social and moral condition. He said that democracy had made it possible to do much work by flicking a switch, but he told the fund workers that they would have to go out and work hard to get the funds for the \$75,000 goal.

Dr. E. R. Cook, pastor of the First Evangelical U. B. Church, of Perkasie, served as chairman. The chorus of the Nurses' Home, under the direction of Grace Wenhold, presented several selections. Members of the Ladies Auxiliary prepared and served the dinner.

Quota Reached for Bus Trip; Bazaar is Planned

NEWPORTVILLE, Sept. 30.—The Cheerful Workers of Newportville Community Church—Presbyterian, held a meeting in the church social room on Wednesday evening, 18 members being present.

The president, Mrs. Raymond Given, opened the meeting, scripture being read by the hostess, Mrs. Albert Peters, with prayer by Mrs. Edith Reese. Reports were turned in and bills paid in connection with the lawn fete held last Saturday, which proved successful. Mrs. Greenlee reported the quota reached for the bus trip to New York, N. Y., next Tuesday. Tentative plans were made for a Christmas bazaar the first week in December. Refreshments were served by the hostess.

APPROVE PLANS FOR SUNDAY SCHOOL BLDG.

Authorization Given For Erection of Harriman Methodist Structure

TO MEASURE 36' BY 50'

Plans for a new Sunday School building for Harriman Methodist Church were approved last evening at a special quarterly conference session held in the church. Trustees and members of the building committee were authorized to proceed with the project, and the trustees also authorized to enter into mortgage agreements.

Dr. Charles Kitto, superintendent of the north district, Philadelphia Methodist Conference, presided. The Rev. Rowland Carlson is pastor of the church.

The Sunday School building, which will face on Wilson avenue, will form the base of a "U", being one step in the development of the church center. The building will be connected with the present church structure by a corridor, and it is expected that building plans in years to come will include a social hall, forming the second side of the "U".

The new structure is to be on lots adjoining the present church. The colonial type building will measure 36x50 feet; will be of cinder block construction, with brick facing. It will be one story in height. The connecting corridor will lead to both the main auditorium and basement of the church proper.

Specifications are to be drawn up soon, and the work is expected to get underway in the near future. The building will be divided into Sunday School classrooms, walls of the rooms being of a permanent type, rather than with folding doors. Plans call for a parlor for social activities.

Report of the building fund was made by the treasurer, Mrs. Marie Plagg, and building committee report by Dr. Orville Pierson.

CHASE RESERVE

WASHINGTON, D. C. (INS)—Senator Margaret Chase Smith of Maine is a new member of the Women's Air Force Reserve. The attractive, blue-eyed Republican applied for a commission in July and was sworn in shortly afterward. Members of Congress, however, are not generally called to duty with the National Guard or the Reserve, so Mrs. Smith won't have to take leave from her work in the Senate.

WORLD NEWS IN BRIEF

The Navy announced that nine men were killed, five were missing and ten others injured when the destroyer Brush struck a floating mine off the city of Tanchon, above the Fortieth Parallel, on Wednesday.

President Truman sent General MacArthur a congratulatory message on the "brilliant" victory "achieved under your leadership."

At Lake Success leading United Nations officials believed that General MacArthur had the power to set the conditions for ending the Korean war without further instructions from the international organization. The Security Council approved a proposal to invite Communist China to participate in the discussion of the Formosa issue despite the negative votes of the United States and Nationalist China. The General Assembly elected Brazil and the Netherlands to the Council but could not decide, after twelve ballots, between Turkey and Lebanon for the third vacancy.

Former Vice President Wallace wrote Premier Mao that Americans were traditional friends of the Chinese and urged the Chinese Communist leader to avoid "slavish obedience" to Moscow. A primer on foreign policy by the State Department called the Soviet Union "a power-hungry government" bent on utilizing force to further its aims of expansion.

TYPE OF STEEL TO BE MADE NOT YET DECIDED

Product of Morrisville Plant Will Depend Upon Defense Needs

SIZE IS NOT DECIDED

Head of U. S. Steel Says It All Depends Upon Needs of Country

The character and type of steel to be produced at the proposed plant of the U. S. Steel in Falls Township has not yet been decided, it was stated in New York yesterday by Benjamin F. Fairless, president of the nation's largest steel-producing company.

Mr. Fairless said the third step in the U. S. Steel's plans to increase its raw steel production capacity will be the building of an Eastern mill on the banks of the Delaware river near Morrisville.

"How large that plant will be, and what kinds of quantities of finished products will be made there," he said, "has not yet been determined, as that will depend upon the defense and military needs of this country."

The United States Steel Corporation yesterday announced plans to increase its raw steel production.

DARRAH PLEADS GUILTY IN COURT

Bristol Man Has Four Other Counts Withdrawn In Court Case

TO PAY COSTS; JAILED

DOYLESTOWN, Sept. 30.—Taking the advice of his landlord literally, a Bristol man, who couldn't make his four roomers, Seth Brown, Gene Johnson, Richard Dillon and Charlie Waters, pay, "smoked them out and himself into jail."

Sixty-two-year-old Rosell Darrah, Lake street, Bristol, who made this explanation of a fire in his shack, was given the benefit of a doubt by Judge Edward G. Blester and had four counts of arson and attempts to commit arson withdrawn. He pleaded guilty to malicious mischief.

Darrah, who has been before the Bucks county courts in 1940, 1942, and 1943, was sentenced to pay the costs of prosecution and serve one year in the County Prison. A parole may be applied for at the termination of six months.

The defendant, who was released on bail but would not show up at a hearing, was finally apprehended when the Justice of the Peace put on a "beard" and found the defendant working on a farm.

In 1940 Darrah served four months in prison in connection with obtaining money under false pretenses. In 1942 he was arrested on a selling liquor charge, and in 1943 he served 30 days for larceny.

Chief of Police Linford Jones, of Bristol, described Darrah as a "bad actor" when he is drinking too much.

Mrs. Alice Taylor, Edgely, testified she and her husband owned a house at 827 Lake street, Bristol, May 6, but have sold it since that date.

Chief of Police Linford Jones testified the defendant admitted starting the fire at the house. Chief Jones said the house was regarded as a "menace."

"Four men, one of whom was the defendant, lived in the house. Darrah told me that the landlord, Mr. Taylor, said 'Smoke them out' if you can't get them to move out," testified Chief Jones. "There seemed to be some dispute as to who was the tenant, but Darrah insisted he was, because he paid the rent," Chief Jones said.

The damage to the house amounted to about \$25.

Officer William Chance, Bristol officer, testified he saw a chair on fire turned against a shed or lean-to.

"Darrah said, 'I'm the man who set it on fire. Lock me up,'" Officer Chance said.

"I saw a man and woman coming out of the house," the officer said. Darrah did not tell the police how he set the fire.

The defendant, who testified he had four roomers, Seth Brown, Gene Johnson, Richard Dillon, and Charlie

Those in Court Room Stand Up and Cheer When Verdict is Returned — Youth Gravelly Thanks Each of Four Women and Eight Men, Then Walks Back to Mother

DOYLESTOWN, Sept. 30.—Today dawned brightly for Allen Pollock, 17, who yesterday afternoon was freed on the charge of murdering his father, Irvin, in defense of his mother on July 11th. The jury which heard the case took only 18 minutes to return a verdict of acquittal.

When the verdict was read to the court, those in the room stood up and cheered. Allen gravelly thanked each of the four women and eight men, then walked back to the first row bench to his mother, for whose sake he had killed his 46-year-old father, who during his earlier life was a wrestler.

The youth showed emotion for the first time since the arrest and the trial that started Monday. As he and the frail Mamie Pollock, 46, clasped each other in a fervent, thankful embrace, the boy wept unashamedly.

After embracing his sister, also, Allen walked with them from the building, ready to re-enter Hatboro high school Monday and resume studies with his classmates, who only recently had shown their faith in him by electing him president of the junior class.

The jury's verdict was announced at 2.50 p. m. by its foreman, Charles T. Coiner, head of an advertising agency art department here.

The panel had retired after listening to a 78-minute charge by Judge Hiram H. Keller, who informed them that "this boy has the same right to protect his own mother as himself."

"If you find," the judge said, "that he was defending her when her life was in danger, it is your duty to acquit him. You must put yourselves in his position."

The jury's choice was between second degree murder, voluntary manslaughter, or acquittal. First degree murder had been ruled out earlier by Judge Keller.

The judge thanked the jurors for their verdict, and told them, "You must have been impressed with fairness of counsel on both sides."

The day, fifth of the trial, opened with the defense parading a succession of Hatboro high school students and teachers to the witness stand to testify to Pollock's character.

Russell Alden and Narcise Orloske, teachers, said the youth's reputation was excellent and his abilities as a student "above average."

Edward Vaught, student, called the young defendant "tops in our minds." This thought was echoed by two other schoolmates, Robert Newbach and James Seiple.

District Attorney Willard S. Curtin, the prosecutor, told the jury in his summation that he did not "dispute the fact that Allen Pollock has an excellent reputation and a wonderful mother, and that he cherishes the memory of the father whom he killed."

"It is entirely up to you to decide," he said. "The Commonwealth has nothing to suggest."

He then made way for the defense counsel, Milton S. Leidner, who appealed to the jurors "as sensible

"Allen will return to his studies Monday morning at Hatboro high school and again resume his studies and go back to a normal life. He is very anxious to return to school," said a spokesman for Allen today.

"Members of his class in the Hatboro high school have presented Allen with a season ticket for all of the football games played by that school," the spokesman told a Courier reporter.

"Allen is nervous but is relaxing and is very happy over the outcome."

Other members of the Pollock family are also relaxing today and trying to forget all that has happened during the past few months. They have labored under a terrible nervous strain, and today will try and get back to their normal lives.

ONE MAN'S OPINION

By Walter Kiernan (Distributed by International News Service)

By Walter Kiernan
Malik came behind Sen. Lehman and Jimmy Roosevelt with his invitation to the President to travel, so he'll have to wait longer.

The way it looks now, Mr. Truman's October itinerary is sort of in General MacArthur's hands.

It may be so that Stalin really would like to see Mr. Truman in Moscow but Lehman sure would like to see him in Manhattan before that.

But it all depends on MacArthur. . . . If he can get the North Koreans back to the 38th parallel in time, Truman can handle the Republicans between the 70th and 125th longitude.

Washington isn't paying much attention to Malik. . . . It is suspected that this is the beginning of a peace offensive.

One spokesman says if Russia is really for an interchange of ideas all they have to do is stop jamming the Voice of America. . . . but how knows they like radio?

But the voice gets through. . . . in one month they get almost as many listener letters as Jerry Lester does in a whole day.

Unification of Korea Would Be Daring Challenge

Washington—High-level diplomats say a United Nations decision to occupy and unify all Korea would be one of the most daring challenges of Russia since the start of the east-west conflict. It is said that the leading nations of the UN, their courage whetted by the Korean war, are willing to take a calculated risk.

Reactivate "Forgotten Men" Corps

London—Russia's "forgotten men" corps, or what residents in Moscow call the "diplomatic mothball fleet" is being reactivated today. The aged foreign minister Maxim Litvinoff, former ambassador to Britain Ivan Maisky, and the first Soviet ambassador to Washington, Alexander Troyanovsky, have suddenly reappeared in public life.

Marine Corps League Not to Sponsor Letter Sale

Philadelphia—President Truman's letter criticizing the Marines will not be sold as a collector's item under the auspices of the Marine Corps League. Maurice J. Fagan, league commandant, made that clear today at his Philadelphia home. Fagan said he had written to Mr. Truman and Rep. Gordon L. McDonough (R. Calif.) to say his organization opposed selling the letter under league auspices because it might involve the league in politics. The league had explained that Mr. Truman's "sincere apology" for the letter had been accepted and that "the incident is closed." Earlier, T. J. McQueen, the league's national adjutant, announced in Baton Rouge, La., that the missive would be sold for \$2.50 to an unidentified person in Chicago tomorrow. In the letter to Rep. McDonough, the President referred to the Marine Corps as a "police force for the Navy" and said the Marines had a propaganda machine comparable to Stalin's.

DEFENSE AND TAXES

The new defense recommendations prepared by the Joint Chiefs of Staff should make John Q. Taxpayer take a thoughtful look at his pocketbook. It's going to be thinner for a long time to come.

In round figures, the defense establishment envisioned by the JCS will eventually cost \$40,000,000,000 a year. That compares with the \$13,500,000,000 originally budgeted for the fiscal year 1951 and the \$25,000,000,000 Congress has actually voted so far. More may be added before next June 30 to get started on the new program.

If some of these estimates are largely guesswork, they nevertheless point to the tremendous cost of rearming the nation to be ready for a major war. A staggering burden is about to be placed on the American people, and they will have no alternative but to bear it.

Washington reports say that \$40,000,000,000 a year will pay for an Army, a Navy and an Air Force twice as large as contemplated under the \$13,500,000,000 budget. So the Joint Chiefs are recommending that the nation double its defense strength and spend three times as much.

In any case, how to get the most of the money is a problem for the Joint Chiefs. Civilian leaders will be wrestling with the equally grave problem that confronts them—the problem of coping with a federal budget swollen from \$42,000,000,000 to \$65,000,000,000 or more. Income from the higher taxes now pending will be only a drop in that bucket.

It's obvious that much higher taxes will be imposed when Congress meets next year.

FAMILIAR NAME

More and more one gets the feeling that this is where he came in.

Recent headlines stated: "Knudson to boss transportation." Many persons felt a momentary jolt until they realized that the spelling differed slightly, and that the Gen. Bill Knudson, whose long-sid grin and white thatch of hair were war effort fixtures, had died in 1948. No, it isn't the Knudson whose tremendous drive, capacity for work and cheerful outlook helped boost the spirits of the American people during the black days of the early war years.

The man whose name sounds the same is James K. Knudson, rail expert and youngest member of the Interstate Commerce Commission. In his new job he will coordinate and boss all rail, motor carrier and inland waterway transport.

But the similarity in names is too much to be overlooked. There is an illustrious record of service to the nation which people will be thinking about when they hear the name of this younger man. Perhaps the example laid down by the tough old industrialist will be something on which the younger man will set his sights. Any man accepting government service in this critical period could do so to advantage.

Miss Maher, Mr. Frehafer Wed In Rectory Ceremony

NEWTOWN, Sept. 30.—The rectory of St. Andrew's R. C. Church was the setting for the wedding of Miss Helen Elizabeth Maher, daughter of Mr. and Mrs. Edward Leo Maher, and Mr. John Howard Frehafer, son of Mr. and Mrs. Edward Frehafer, this morning. The Rev. Daniel J. Daly performed the ceremony at 10 o'clock.

The bride, given in marriage by her father, was attired in a dark brown lace gown with a dark brown underskirt. She used brown accessories and carried a prayer book with a white orchid on it.

Miss Joan Shafer, Rochester, N. Y., maid of honor, wore a dark green tulle dress with matching hat and black accessories, also a corsage of yellow roses.

Mr. John Richard Maher, brother of the bride, was best man.

Mrs. Maher, the bride's mother, chose a taupe crepe dress, with which she wore lime green accessories and a corsage of yellow roses. Mrs. Frehafer, the mother of the bridegroom, was attired in black crepe with black accessories, and wore a corsage of pink roses.

A breakfast was served at the Temperance House. After a motor trip to parts of Canada, the young couple will be at home after October 5th at their apartment on Elm street.

CONGRESS HAS DOUBLED FDIC PROTECTION ON YOUR DEPOSITS—

This Bank favors any forward step which contributes to the best interests of depositors.

The primary reason that deposits in this bank have always been safe is the management care and ability exercised by the directors and officers. Then in 1933 came a second protective feature—an insurance on deposits, to \$5000 for each depositor, by the newly created Federal Deposit Insurance Corporation. Congress has now doubled this \$5000 insurance—to \$10,000.

PENNSBURY WINS OVER WARRIORS IN VICIOUS ATTACK

Pennsbury High's ferocious second half attack gave it a 7-6 victory over Bristol High last night on the Warriors' gridiron in a Lower Bucks County League tilt. It was the second league triumph for the Pennsbury team and the second loss of the season for Bristol which won its first game against Hatboro.

The Falcon's second half offensive enabled it to sweep Bristol off its feet and at the same time the Pennsbury defense tightened so much that the Warriors could not make a first down. Pennsbury made 10 first downs in its second half drive after scoring five in the first half. Bristol had six first downs in the first half.

Besides registering its touchdown at the start of the final period, Pennsbury put on the spirited march towards the finish of the match and when the final whistle sounded was but three yards away from the Bristol goal line.

Bristol had all its punch early in the game and besides hitting for a touchdown, passed up a great opportunity to score another. A holding penalty cost the Warriors a touchdown in the second quarter.

It was "Lou" Loeffler who scored the Bristol touchdown. Pennsbury was in the midst of a sustained drive when it drew a 15-yard penalty. Sands went back to pass but Loeffler leaped up to grab the pigskin before Al Reed could jump for it and raced 55 yards to score. Alan Stoneback missed the try for the extra point.

A 11-yard pass, Reed to Frank Hunter, scored the Pennsbury touchdown in the last quarter while Jack Sands bucked the line for the seventh point which netted Pennsbury the triumph.

Two fumbles at the start of the contest was no help to the Bristol boys. Loeffler got the opening kickoff and ran it from the 18 to the 37. Bristol recovered its two successive fumbles for losses but Jack Quinn, the new fullback from California, got off on an off-tackle slant for a gain of 19 yards and a first down at mid-field. Three plays later, Bristol was forced to kick. Gratz booted it to the nine.

Sands made 23 yards on the line play and a pass, Reed to Bud Bray, made a first on Bristol's 42. Pennsbury was penalized 15 yards. On the next play Loeffler intercepted a pass and went 55 yards to cross the goal line.

Following the kickoff, Pennsbury moved the ball from its 29 to Bristol's 37 on three consecutive first downs by Hunter, Reed, and Miller. But a Pennsbury fumble was recovered by "Tex" Giagnacova on the locals' 35. After a penalty, Quinn made a first on the 46. After Holton picked up seven yards, Puchino made a first but fumbled and Hunter picked up the ball to carry it to mid-field. Two line plays failed and Reed quick-kicked to the Bristol 20 as the quarter closed.

Quinn broke loose off tackle and ran to the 46 before being downed by the safety man. Holton on a fake got away and again the safety man, Reed, got the runner, this time on the 28. Puchino kicked the line for three yards and Quinn followed with a first on the 18. Holton and Puchino picked up eight yards. A Bristol fumble was gathered up by Bob Coia. Pennsbury was penalized to its 5-yard line. Foltz and White recovered a Pennsbury fumble on the 7. Holton skirted his right end for six yards being knocked out on the one but a Bristol lineman was detected holding and Bristol went back to the 22. Hunter broke up the attack by intercepting a pass and running to the 30.

Bristol held, forcing Pennsbury to kick, the ball going to the Bristol 47. Loeffler tossed a pass to Dick Puchino for a first down but Bristol lost on two plays and then attempted a pass which was completed. Gratz to Charlie Rauch but failed of a first down. Bristol lost the ball on the next play when it attempted an end run. The remainder of the half's playing was at mid-field.

It was evident at the start of the third quarter that Pennsbury was a different team. After an exchange of punts, Pennsbury took possession on its one-yard line. On the first play, Hal Briggs made a first on the 12. Two more plays and Bray went to the 23. On a handoff, Frank Hunter was stopped on the 38. After Sands and Briggs picked up four Hunter made the fourth straight first down on the 46. Here Pennsbury was stopped and Reed kicked out on the 29. Gratz kicked back to his 44.

Sands knocked off 9 yards at tackle and Briggs made a first on the Bristol 30. After two short gains, Sands carried the ball from the 24 to the 8. Bristol stiffened and threw Briggs for a 3-yard loss and stopped Sands at the line of scrimmage. From his 11-yard line, Reed tossed a pass to Hunter for the touchdown. Sands added the extra point with a line play, making the score, 7-6.

Pennsbury's final drive occurred in the last four minutes. It took possession when Hunter intercepted on the Bristol 27. Sands clipped off three yards but he and Mayo were stopped on the next two plays. On fourth down, Reed heaved a

pass to Ed Miller for a first on Bristol's 16. Sands and Hunter were stopped and a pass was grounded. But on fourth down, Sands carried the pigskin on a double reverse and did not stop until he was downed on the 5-yard line. Hunter carried the ball to the 2-yard line but Sands lost a yard as the game ended.

Bristol meets Conshohocken High next Friday night on the latter's field.

SECOND OF PLAYOFF GAMES TOMORROW

The second game of the final playoff series of the Bristol Suburban Softball League is scheduled for Memorial field tomorrow afternoon starting at 12:15 o'clock. The contesting teams are Second Ward and Franklin A. C.

Second Ward won the opening game of the series last Sunday, defeating the Franklin contingent, 6-5, on a balk by Pitcher Jack Spencer.

"Chick" Stansky is expected to do the twirling for Second Ward with Charlie Mount as his battery mate. In an event Stansky fails to go, Manager Cornelius Chichiletti intends to send Tom Sagolla to the hill. It was Sagolla's fine relief job that gave the Warders the victory last Sunday after Ernie Pinelli was driven from the mound.

Tony Cappello is due to pitch for the Franklin team with Frank Barbetta behind the plate.

Second Ward won the championship in 1949 and also the regular season crown this year. It won 21 straight games during the season.
